

Circle of Life Home Care is an efficient, top-quality home care company providing the highest level of home care to the community. We are friends assisting friends with trusted care. We will open early 2010 with our services.

We provide efficient, top-quality, and affordable home care to the community in which we live and work with non-medical and personal care for our clients. Our goal is to assist our clients in their homes with trusted, top-notch treatment and comfort.

Company history

Circle of Life Home Care was established in 2009 as a result of the founder recognizing a critical need in the community for quality non-medical services. Our founder is loyal, dedicated, and committed to assisting our community with excellent customer service and satisfaction. Her background consists of over 21 years in the information technology industry which taught her the critical importance of trust, honesty, respect, and customer satisfaction.
